RSQU RV

Credentials & experience

Mike Stevens
RSQU RV Mobile Maintenance and Repair Service

RV technician training

National RV Training Academy (NRVTA)
Athens, Texas

Completed RV systems certificate training through the National RV Training Academy. This technical training supports Mike's work in mobile RV maintenance, troubleshooting and repair.

30 years in the fire service

Salt Lake City Fire

Mike brings 30 years of fire-service experience with Salt Lake City Fire to RSQU. That background informs his focus on recognizing hazards, communicating clearly and taking a careful, safety-first approach to customer service.

What customers can expect

Clear explanations of observed problems and recommended next steps.

Customer education that helps RV owners recognize warning signs and understand their equipment.

Documented findings, service limitations and follow-up recommendations.

A focus on safe work practices and qualified service for the task.
